

Black Roses

Ikon

She doesn't know me
She doesn't care
Behind her darkness
Behind her stare

She sees it all
She sees it all
She sees it all
She sees it all

And in my dying hour
She gives me black roses
And as my time shall pass
I'm falling for her

My time is ending
My time draws near
My time is ending
My time draws near
Behind her darkness
Behind her eyes
Behind her darkness
There she lies

And in my dying hour
She gives me black roses
And as my time shall pass
I'm falling for her

And now my time has passed
I've fallen for her
