

## Distant Memory

Ikon

Times feel so strange  
This final moment  
Day to day we live our lives  
Yearning for the answers  
It's getting closer  
It's getting near (2)  
This distant feeling  
I sometimes falter  
Realize not to blame myself  
For these situations  
It's getting closer  
It's getting near (2)
