

## Fatal Attraction

Ikon

I've heard so much about you  
There's more to what it seems  
I felt a force around you  
A negativity

Over my shoulder  
Beside myself  
I cannot escape  
The wrath itself

Your pushing me over  
I'm left all out of place  
I cannot see clearly  
You've gone too far

I can't say what I think  
As I don't know for sure  
Is this a passing phase  
Or a fatal attraction

Over my shoulder  
Beside myself  
I cannot escape  
The wrath itself

You're pushing me over  
I'm left all out of place  
I cannot see clearly  
You've gone too far

Can't you leave me alone (2)
