

Memory

Il Divo

Piano questi passi d'amore
Sulla strada del cuore
Che mi porta da te
Soffia il vento del tempo
Questa notte che va
Sempre qui ci trover

Memory, all alone in the moonlight
I can smile at the old days
I was beautiful then
I remember
The time I knew what happiness was
Let the memory live again

Nasce il sole
Che così
Ci trover abbracciati
La sua mano
Sulla porta piano
Spalanca il cielo al mattino

In the daylight
I must wait for the sunrise
I must think of a new life
And I mustn't give in
When the dawn comes
Tonight will be a memory too
And a new life will begin

Nasce il sole
Che così
Ci trover abbracciati
Like a flower
As the dawn is waking
The memory is fading

Touch me, it's so easy to leave me
All alone with my memory
Of my days in the sun
If you touch me
You'll understand what happiness is
Look a new day has begun...
