

Some Enchanted Evening

Il Divo

Some enchanted evening
You may see a stranger, you may see a stranger
Across a crowded room, and somehow you know,
You know even then
That somewhere you'll see her again and again.

Some enchanted evening, someone may be laughing
You may hear her laughing
Across a crowded room and night after night, as strange as it seems
The sound of her laughter will sing in your dreams.

Who can explain it?
Who can tell you why?
Fools give you reasons, wise men never try.

Some enchanted evening
When you find your true love
When you feel her call you
Across a crowded room
Then fly to her side, and make her your own
Or all through your life you may dream all alone.

Once you have found her never let her go.
Once you have found her never let her go.
