The Music of the Night

Il Divo

Night-time sharpens, heightens each sensation Darkness stirs and wakes imagination Silently the senses abandon their defences Helpless to resist the notes I write For I compose the music of the night

Slowly, gently, night unfurls it's splendor Grasp it, sense it, tremulous and tender Hearing is believing music is deceiving Hard as lightening soft as candlelight Dare you trust the music of the night

Close your eyes, start a journey through a strange new world Leave all thoughts of the world you knew before Close your eyes, and let music set you free Only then can you belong to me

Floating (floating), falling (falling), sweet intoxication Touch me (touch me), trust me (trust me), savour each sensation

Let the dream begin, let your darker side give in To the power of the music of the night The power of the music of the night

You alone can make my song take flight Help me make the music of the night
