

## Beautiful Day

Il Volo

You're on the road  
But you've got no destination  
You're in the mud  
In the maze of her imagination  
You love this town  
Even if that doesn't ring true  
You've been all over  
And it's been all over you

It's a beautiful day  
Don't let it get away  
It's a beautiful day

Touch me  
Take me to that other place  
Teach me  
I know I'm not a hopeless case

See the world in green and blue  
See China right in front of you  
See the canyons broken by cloud  
See the tuna fleets clearing the sea out

See the bedouin fires at night  
See the oil fields at first light and  
See the bird with a leaf in her mouth  
After the flood all the colors came out

It's a beautiful day  
Don't let it get away  
Beautiful day

Touch me  
Take me to that other place  
Reach me  
I know I'm not a hopeless case

What you don't have you don't need it now  
What you don't know you can feel it somehow  
What you don't have you don't need it now  
Don't need it now  
Was a beautiful day

Was a beautiful day

It's a beautiful day  
Don't let it get away  
Beautiful day
