

## Smile

Il Volo

Smile when your heart is aching  
Smile even though it's breaking  
When there are clouds in the sky  
You'll get by If you  
smile through your fear and sorrows.

Smile and maybe tomorrow  
You see the sun come shinning through for you  
Light up your face with gladness  
Hide any trace of sadness  
Although our tears be ever so near  
That's the time you must keep on trying

Smile, what's the use of crying  
You'll find life is still worth while If you just smile  
Smile though your heart is aching  
Smile even though it's breaking  
When there are clouds in the sky  
You'll get by That's the time you must keep on trying

Smile, what's the use of crying  
You'll find life is still worth while If you smile  
When there are clouds in the sky  
You'll get by If you smile, smile  
You'll find that life is still worth while If you just smile  
You'll find that life is still worth while If you just smile, s
