

Smile

Il Volo

Smile when your heart is aching
Smile even though it's breaking
When there are clouds in the sky
You'll get by If you
smile through your fear and sorrows.

Smile and maybe tomorrow
You see the sun come shinning through for you
Light up your face with gladness
Hide any trace of sadness
Although our tears be ever so near
That's the time you must keep on trying

Smile, what's the use of crying
You'll find life is still worth while If you just smile
Smile though your heart is aching
Smile even though it's breaking
When there are clouds in the sky
You'll get by That's the time you must keep on trying

Smile, what's the use of crying
You'll find life is still worth while If you smile
When there are clouds in the sky
You'll get by If you smile, smile
You'll find that life is still worth while If you just smile
You'll find that life is still worth while If you just smile, s
