

# Have You Ever Felt?

III Niño

Sometimes I feel like the world is looking over my shoulder  
I don't know why but I feel my patience getting shorter

I don't want to know  
I don't want to feel  
I don't want to be  
I don't want to sound crazy

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

Away

The tension builds but I feel the walls are getting thicker  
And then I still make believe that I am feeling better

I don't want to know  
I don't want to feel  
I don't want to be  
I don't want to sound crazy

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

Away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away

I don't want to sound insane  
But I can't take the pressure  
Have you ever felt the same?  
Like you just need to run away
