

Only The Unloved

III Niño

Go surrender
I'll forgive you
Go surrender
I'll forgive you
Go surrender
I'll forgive you

World of fiction
Taking victims now
Go sign up, go sign up,
Just sign your life away
Gross infliction
Taking victims now
Step right up, step right up
Step right up on the cross
Go surrender
I'll forgive you

You'll save me, you'll hate me
I don't want to be the so called liar
You love me when I believe you, believe in you
You'll save me, you'll hate me
I don't want to be the so called liar
You love me when I believe you, believe in you

I believe in you
I believe in you

World infection
Raping freedom now
Strip you down, strip you down
Till you have nothing left
No me digas tu prediccion
Callate, callate,
No me complique mas
Go surrender
I'll forgive you

You'll save me, you hate me
I don't want to be the so called liar
You love me when I believe you, believe in you
You'll save me, you hate me
I don't want to be the so called liar
You love me when I believe you, believe in you

Go surrender, I'll forgive you
Go surrender, I'll forgive you
Your hate, your hate, your hate

You'll save me, you hate me
I don't want to be the so called liar
You love me when I believe you, believe in you
You'll save me, you hate me
I don't want to be the so called liar
You love me when I believe you, believe in you
