

With You

III Niño

yeah...

There's something in your ways
That makes me wanna stay here for a thousand years
So just cry your fears
I need you everyday
Inside you I just want to wipe away your fears
So just cry your tears

I wish, I was, in you

If I stay, well than your tears will set you free
If I stay right here, and forever with you
Everything I feel for you
Is everything I want to stay with you
If I stay right here, and forever with you

My eyes

My eyes

This is tearing me apart
I wish I could be in your soft arms
Feel you again
Anytime I feel like I've come too far
Than I will try to remember all ours and
Your memories I know

I wish, I was, in you

If I stay, well than your tears will set you free
If I stay right here, and forever with you
Everything I feel for you
Is everything I want to stay with you
If I stay right here, and forever with you

My eyes, my eyes

My eyes, my eyes
