

## With You

III Niño

yeah...

There's something in your ways  
That makes me wanna stay here for a thousand years  
So just cry your fears  
I need you everyday  
Inside you I just want to wipe away your fears  
So just cry your tears

I wish, I was, in you

If I stay, well than your tears will set you free  
If I stay right here, and forever with you  
Everything I feel for you  
Is everything I want to stay with you  
If I stay right here, and forever with you

My eyes  
My eyes

This is tearing me apart  
I wish I could be in your soft arms  
Feel you again  
Anytime I feel like I've come too far  
Than I will try to remember all ours and  
Your memories I know

I wish, I was, in you

If I stay, well than your tears will set you free  
If I stay right here, and forever with you  
Everything I feel for you  
Is everything I want to stay with you  
If I stay right here, and forever with you

My eyes, my eyes  
My eyes, my eyes
