

# Tree Of Life And Death

Illnath

You can see whatever you want to see  
You can believe whatever you want to believe  
The world will keep on changing and so will we  
So suck it up, dry your eyes and wake up!

You want to see us fail? Not today!

Some will die, some will live, I fought for this  
privilege!  
Some will fail, some will shine, it's up to you to live  
your life!

Sometimes things end, sometimes you bend  
Things will change, tree of life  
Sometimes things end, take your last breath  
Take a look at the tree of life and death

Some will do their best to be static and detest  
Anything new, or not created by them  
Unfortunately for them, nothing can mend

You are blinded by your own insecurities  
So afraid to stand up in case someone will see  
We all have flaws and then you'll turn to stone  
I love my flaws they are my own!

You want to see us fail? Not today!

Some will die, some will live, I fought for this  
privilege!  
Some will fail, some will shine, it's up to you to live  
your life!

Sometimes things end, sometimes you bend  
Things will change, tree of life  
Sometimes things end, take your last breath  
Take a look at the tree of life and death
