

Nowhere

Illusion

Cravings in the hopeless hearts
Cravings stronger than spirit sense
Why do we go to nowhere? Why?

In the cage of things we pedlock the door
Where is the key to self determination ?
Why do we go to nowhere? Why?

I don't want to make a suicide of my spirit like you
I try not to drown in the wateronorance
Why do we go to nowhere? Why?
Why do we go to nowhere?

Like a river of your
Cocksurance
Arrogance
Ignorance

Like a river of your hate
to yourself ?
