

# Angel Eyes

Ilse DeLange

Boy, you're looking fine tonight  
And every girl's got you in her sights  
What you're doing with a clown like me  
Is surely one of life's little mysteries

So tonight I'll ask the stars above  
How did I ever win your love?  
What did I do, what did I do, what did I say  
To turn your angel eyes my way?

And I'm the girl who never learned to dance  
I never even got one second glance  
Across the crowded room, that was close enough  
I could look, but I could never touch

So tonight I'll ask the stars above  
How did I ever win your love?  
What did I do, what did I say  
To turn your angel eyes my way?

Don't anybody wake me if this is a dream  
'Cause he is the best thing that's ever happened to me  
All you girls you can but you look all you like  
But this boy you see, he's leaving with me tonight

And there's just one more thing I need to know  
If this is love then why does it scare me so  
Must be something only you can see  
But boy, I feel it when you look at me

So tonight I'll ask the stars above  
How did I ever win your love?  
What did I do, what did I say  
To turn your angel eyes my way?

What did I do, what did I say  
To turn your angel eyes my way?
