

# Flying Blind

Ilse DeLange

I don't know where I'm going  
It's an un chartered sky  
I don't I think even really know  
What I'm feeling inside  
Love is so uncertain  
Who can say what's in store  
This is deeper, farther, higher  
Than I've been before

I'm flying blind  
Wherever your love takes me  
I'm letting go and I don't care if I fall  
I'll close my eyes with you beside me  
I follow faith and let it guide me  
Tonight I'm leaving all my fears behind  
I'm flying blind

I won't question tomorrow  
It's a mystery to me  
I just know what your touch in me does  
I know this is where I wanna be  
It's a risk worth taking  
I don't want to come down  
Play my heart  
Got my cards on the table  
Got my head up in the clouds
