

I Love You

Ilse DeLange

I didn't mean to be so cold
Like your arms had never held me
Like a story never told
But you know exactly how it goes

Still you carry on with pride
And you touch me oh so tenderly
All the pain you keep inside
Wouldn't stop you from defending me
Always remembering

I love you
Your love's stronger than I can deny
I love you
Your faith kept us safe

Between two hearts you'll never find
A deeper understanding
There's no use in asking why
When the answer is right before my eyes
And I finally realize

I love you
Your love's stronger than I can deny
I love you
Your faith kept us safe

I didn't mean to be so cold

And I love you
Your love's stronger than I can deny
I love you
Your faith kept us safe

I love you
Your love's stronger than I can deny
I love you
Your faith kept us safe
