I didn't know what I was getting into When I got my first taste of you You were just what I was lookin' for And once I had a little I had to have more 'Cause I'd wake up moanin' in the middle of the night The sound of your name was all that sounded right Ran back to your door all soaked with sweat Had to have your kiss before I starved to death When you're livin' on love and it's all you need A constant hunger that you've got to feed Livin' on love and there ain't no doubt It's the one thing you can't live without You can have the world But you still wouldn't have enough None of that matters when you're livin' on love Nothing else matters when you're livin' on love Some folks just don't seem to understand How I seem to survive on the touch of your hand I don't need to eat, I don't need no rest If I can get my fill of your tenderness When I get wore down and feelin' rough A long cool drink from your lovin' cup Makes me feel better, makes me feel strong Have mercy on me if I find you gone When you're livin' on love and it's all you need A constant hunger that you've got to feed Livin' on love and there ain't no doubt It's the one thing you can't live without You can have the world But you still wouldn't have enough None of that matters when you're livin' on love Nothing else matters when you're livin' on love When you're livin' on love and it's all you need A constant hunger that you've got to feed Livin' on love and there ain't no doubt It's the one thing you can't live without You can have the world But you still wouldn't have enough None of that matters when you're livin' on love Nothing else matters when you're livin' on love Livin' on love Livin' on love Livin' on love
