

Lady Folly

Ilya

Lady Folly took my name
Though she and I are not the same
Lady Folly took my name
Though she and I are not the same

Welcome in my home
Welcome in my room
Welcome in my life
Welcome in this strife

Lady Folly played a game
All she won from it was shame
Lady Folly played a game
All she won from it was shame

Welcome in my home
Welcome in my room
Welcome in my life
Welcome in this strife

Lady Folly
