IM5

No chance no way I won't say it no, no

You swoon you sigh why deny it oh, oh

It's too cliché I won't say I'm in
I won't say I'm in
I won't say I'm in

Can you feel the love tonight
(can you feel the love tonight)
You even looked too far, yeah

The world for once, in perfect harmony
(in perfect harmony, yeah)

Love is where we are

Don't stop your crying it'll be alright
Here, take my hand, and hold it tight

I will protect you from all around you
I will be here don't you cry

'Cause you'll be in my heart
Yes, you'll be in my heart
From this day on (this day on)
now and forever more (forever more)
(Love is an open door)
Yeah you'll be in my heart
(Love is an open door)
No matter what they say
With you, with you, with you
Love is an open door

I know you I danced with you once upon a dream
I know you the gleam in your eye is so familiar a gleam

And I know it's true that visions are seldom
all they seem

But if I know you I know what you do
You'll love me at once the way you did
once upon a dream (upon a dream)

I got myself an ocean
And one I know that you'll understand
To set the world in motion
By reaching out for each other's hand

maybe we'll discover
What we should have known all a long, yeah

One way or another
We'll find out where we both belong

If we listen to each other's heart
We'll find we're never too far apart

And maybe love is the reason why
for the first time ever we're seeing it eye to eye

Yeah, ee, yeah

If we listen to each other's hearts
we'll find we're never too far apart
And maybe love's the reason why
For the first time ever
were seeing it eye to eye

A whole new world

my oh MY

Let it go

Seeing it eye to eye eye

For the first time

For the first time

Make you feel the love tonight
