

Earned It

IM5

You make it look like it's magic
Because I see nobody, nobody but you
I'm never confused
I'm so used to being used

So I love when you call unexpected
Because I hate when the moment's expected
So I'mma care for you, you, you
I'mma care for you, you, you

Because girl you're perfect
You're always worth it
And you deserve it
The way you work it
Because girl you earned it
Because girl you earned it

You know our love will be tragic
So you don't pay it don't pay it no mind
We live with no lies
You're my favourite kind of night

So I love when you call unexpected
Because I hate when the moment's expected
So I'mma care for you, you, you
I'mma care for you, you, you

Because girl you're perfect
You're always worth it
And you deserve it
The way you work it
Because girl you earned it
Because girl you earned it

On that lonely night
We said it wouldn't be love
But we felt the rush
It made us believe it was only us
Convinced we were broken inside, inside

Because girl you're perfect
You're always worth it
And you deserve it
The way you work it
Because girl you earned it
Because girl you earned it, earned it

Perfect, worth it, earned it
Perfect, worth it, earned it
Perfect, worth it, earned it
Perfect, worth it, earned it
