

Everything About You

IM5

When you dance, when you smile
When you laugh
I love everything about you

How you dress, and your style
You're an angel
I love everything about you, ooh

I wanna celebrate today girl
We gon' throw a party for you, ooh
Just be yourself girl
Cause I love love love love love

Everything about you
It's perfect, amazin'
I can't get enough
Everything about you
It's drivin' me crazy
Girl because I love
Everything about you, you
You (5x)
Everything about you
It's drivin' me crazy
Girl because I love
Everything about

Your perfume, those sweet eyes
Your kisses
I love everything about you

Don't change, girl
Just be mine
You're a queen and
I love everything about you, ooh

Let me throw a party for you, ooh
Just be yourself girl
Cause I love love love love love

Everything about you

Everything about you
It's drivin' me crazy
Girl because I love
Everything about you, you
