

# Rest Of Our Lives

IM5

Uuuu.. uuuu.. uuuu.. uuuu..

[Chorus]

In the good times and the bad times  
We've all been there.  
Through the ups and the down times  
When no one cares.  
When time keeps on passing  
And you're missing out.  
Just remember forever  
We have the rest of our lives.

The rest of our lives [2x]

Turn in up aye  
T-turn it up  
T-turn it up ah..

It's our time don't waste it [2x]

[Verse 1]

W-w-w-we're coming up  
The future's mine.  
Hate to say but it's our time.  
We're in the spotlight, it's a show  
Might bust a bust just let it flow.

Can't hold us down  
We're on a rise  
Just got a little high desires.  
my oh my it really is the sky  
If you don't like it put it on stand by-by-by-by.

[Chorus]

[Verse 2]

Turn it up, you know what we do.  
If it ain't a good time than what's the use.  
Still blah blah blah at the age of 2  
Now they all line up to watch me roll  
Through.

Throw your hands up  
Get 'em high, that's what's up.  
We all want a good life, do what you feel like.  
Throw your hands up  
Get 'em high, that's what's up.  
We all want a good life, do what you feel like.

It's our time don't waste it [2x]

Throw your hands up  
Get 'em high, that's what's up.  
We all want a good life, do what you feel like.  
Throw your hands up  
Get 'em high, that's what's up.  
We all want a good life, do what you feel like.

Feel like.. feel like..  
Do what you feel like.

It's our time don't waste it  
yeah yeah (that's what's up)  
I.. M.. 5..  
It's our time don't waste it.
