30 Lives

Imagine Dragons

Good morning my love It's been a while since we have talked You have grown Your eyes are older than the tallest tree you see Thirty lives can be extraordinarily long Lay me down Lay me down Again my friend I know it's been a while since I could look you in the eyes 'Cause I am foolish and I am sorry But sorry never made it feel alright Alright Good morning myself It's been a while since we have talked You have changed For better or worse is yet to determine But I am sure That you'll keep living and breathing until this world turns ov er But lay me down Lay me down Again my friend I know it's been a while since I could look you in the eyes 'Cause I am foolish and I'm sorry But sorry never made it feel alright Alright Again my friend I know it's been a while since I could look you in the eyes 'Cause I am foolish and I'm sorry But sorry never made it feel alright Alright
