Imagine Dragons

I'm sorry, mother  
I'm sorry, I let you down  
Well, these days I'm fine  
No these days I tend to lie  
I'll take the West train  
Just by the side of Amsterdam  
Just by my left brain  
Just by the side of the Tin man

I'm sorry, brother  
I'm sorry, I let you down  
Well, these days you're fine  
No these days you tend to lie  
You'll take the West train  
Just by the side of Amsterdam  
Just by your left brain  
Just by the side of the Tin man

Your time will come  
if you wait for it, if you wait for it  
It's hard, believe me... I've tried  
But I keep coming up short

I'm sorry, lover  
I'm sorry, I bring you down  
Well, these days I try  
And these days I tend to lie  
Kinda thought I was a mystery  
And then I thought I wasn't meant to be  
You said yourself fantastically  
"Congratulations you are all alone"

Your time will come  
if you wait for it, if you wait for it  
It's hard, believe me... I've tried  
Your time will come  
if you wait for it, if you wait for it  
It's hard, believe me... I've tried

But the rain won't fall for the both of us  
The sun won't shine on the both of us  
Believe me when I say  
That I wouldn't have it any other way

Your time will come  
if you wait for it, if you wait for it  
It's hard, believe me... I've tried  
But I won't wait much longer  
'cause these walls they're crashing down  
And I won't wait much longer  
'cause these walls they're crashing down  
And I keep coming up short
