

# Hopeless Opus

Imagine Dragons

hey Mr. cage man let me get a fresh breath  
cherry bomb head strong I could fake my own death  
hey Mr. fate man shuffle me a ninth life  
I've been wrong, go long  
throwing me a sharp right

it's not a picture perfect life  
not what I had in mind  
let me write my own line

I've got this place  
that I've filled with empty space  
oh I'm trying not to face what I've done  
my hopeless opus  
I'm in this race and I'm hoping just to place  
oh I'm trying not to face what's become of me  
my hopeless opus

hey Mr. safe man hustle me an okay  
I could slide take a dive take it for the home team  
hey Mr. postman slip me one more green note  
I've been low hit the floor looking just to make  
broke

it's not a picture perfect life  
not what I had in mind  
let me write my own line

I've got this place  
that I've filled with empty space  
oh I'm trying not to face what I've done  
my hopeless opus  
I'm in this race and I'm hoping just to place  
oh I'm trying not to face what's become of me  
my hopeless opus

hey Mr.  
hey Mr.  
hey Mr. cage man  
cherry bomb  
let me get  
cherry bomb  
cherry bomb

I've got this place  
that I've filled with empty space  
oh I'm trying not to face what I've done  
my hopeless opus  
I'm in this race and I'm hoping just to place  
oh I'm trying not to face what's become of me  
my hopeless opus
