

# I'm So Sorry

Imagine Dragons

About time for anyone telling you off for all your deeds  
No sign. The roaring thunder stopped in cold to read

No time  
I get mine and make no excuses; waste of precious breath  
No time  
The sun shines on everyone, everyone love yourself to death

So you gotta fire up, you gotta let go  
You'll never be loved 'til you've made your own  
You gotta face up, you gotta get yours  
You never know the top 'til you get too low

A son of a stepfather  
A son of a—  
I'm so sorry  
A son of a stepfather  
A son of a—  
I'm so sorry

No lies and no deceiving, man is what he loves  
I keep tryin' to conceive that death is from above

No time  
I get mine and make no excuses; waste of precious breath  
No time  
The sun shines on everyone, everyone love yourself to death

So you gotta fire up, you gotta let go  
You'll never be loved 'til you've made your own  
You gotta face up, you gotta get yours  
You never know the top 'til you get too low

A son of a stepfather  
A son of a—  
I'm so sorry  
A son of a stepfather  
A son of a—  
I'm so sorry

Life isn't always what you think it'd be  
Turn your head for one second and the tables turn  
And I know, I know that I did you wrong,  
But will you trust me when I say  
That I'll make it up to you somehow, somehow

So you gotta fire up, you gotta let go  
You'll never be loved 'til you've made your own  
You gotta face up, you gotta get yours  
You never know the top 'til you get too low

A son of a stepfather  
A son of a—  
I'm so sorry  
A son of a stepfather  
A son of a—  
I'm so sorry

I'm so sorry [3x]
