

Tiptoe

Imagine Dragons

In the morning light let my roots take flight
Watch me from above like a vicious dove
They don't see me come, who can blame them?
They never seem to catch my eye but I never wondered why

I won't fall asleep
I won't fall asleep

Hey yeah, don't let 'em know we're coming
Hey yeah, tiptoe higher
Take some time to simmer down, keep your head down low
Hey yeah, tiptoe higher

From your slanted view see the morning dew
Sink into the soil, watch the water boil
They won't see me run, who can blame them?
They never look to see me fly, so I never have to run

I won't fall asleep
I won't fall asleep

Hey yeah, don't let 'em know we're coming
Hey yeah, tiptoe higher
Take some time to simmer down, keep your head down low
Hey yeah, tiptoe higher

Nobody else, nobody else
Nobody else, you take me higher
Nobody else, you take me higher
Nobody else, you take me higher
Nobody else

Hey yeah, don't let 'em know we're coming
Hey yeah, tiptoe higher
Take some time to simmer down, keep your head down low
Hey yeah, tiptoe higher

Hey yeah, don't let 'em know we're coming
Hey yeah, tiptoe higher
Take some time to simmer down, keep your head down low
Hey yeah, tiptoe higher
