

# Trouble

Imagine Dragons

Oh, quiet down, I've had enough  
I guess it's now or never  
I've been around, I've settled up  
I'll bolt soon or later

I took a photograph of me  
When I was only nineteen  
I looked a little lost at sea  
I keep trying to find me

So pray for me brother  
I need redemption  
I'm just a man  
A man on a mission  
I want no trouble  
I want no trouble  
I want no trouble  
I want no trouble

Pray for me sister  
Give me a mention  
I got no faith  
And oh did I mention  
I want no trouble  
I want no trouble  
I want no trouble  
I want no trouble

Oh, pack it up and hit the road  
And only take my lighter  
I've seen the glitz, I've seen the glam  
But I prefer the pay dirt

I took a photograph of me  
When I was only nineteen  
I looked a little lost at sea  
I keep trying to find me

So pray for me brother  
I need redemption  
I'm just a man  
A man on a mission  
I want no trouble  
I want no trouble  
I want no trouble  
I want no trouble

Pray for me sister  
Give me a mention  
I got no faith  
And oh did I mention  
I want no trouble  
I want no trouble  
I want no trouble  
I want no trouble

Maybe you could save my soul

From all the things that I don't know  
Maybe you could save my soul  
From all the things that I don't know
