

# Walking the Wire

Imagine Dragons

Do you feel the same when I'm away from you?  
Do you know the line that I'd walk for you?  
We could turn around or we could give it up  
But we'll take what comes, take what comes

Oh the storm is raging against us now  
If you're afraid of falling then don't look down  
But we took the step oh we took the leap  
And we'll take what comes, take what comes

Feel the wind in your hair  
Feel the rush way up here

We're walking the wire, love  
We're walking the wire, love  
We've gotta be higher, up  
We're walking the wire, wire, wire

There's nights we had that just walk away  
And there's tears we'll cry but those tears will fade  
It's the price we pay when it comes to love  
And we'll take what comes, take what comes

Feel the wind in your hair  
Feel the rush way up here

We're walking the wire, love  
We're walking the wire, love  
We've gotta be higher, up  
We're walking the wire, wire, wire

So look out down below  
Look out down below  
Look out down below  
Walking the wire, wire, wire  
So look out down below

Oh I'll take your hand when thunder roars  
And I'll hold you close, I'll stay the course  
I promise you from up above  
That we'll take what comes, take what comes  
Love

We're walking the wire, love  
We're walking the wire, love  
We've gotta be higher, up  
We're walking the wire, wire, wire

So look out down below  
Look out down below  
Look out down below  
Walking the wire, wire, wire  
So look out down below

We're walking the wire  
We're walking the wire  
We're walking the wire, wire, wire
