Yesterday

Imagine Dragons

Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterday

All these years I've been searching For who I'm supposed to be All that time I've been wasting 'Cause I was right in front of me Oh, it's a crooked old tradition By a masterful magician But in the all this trouble I've met I haven't got one single regret, no

Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterday Yesterday

Oh, I'm a hopeless crash collision
'Cause I'm a hostage to my pride
By my own volition
I've been a saint, I've been the truth, I've been the lie
Oh, it's a crooked old tradition
By a masterful magician
But in this all this trouble I've met
I haven't got one single regret, no

Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterday Yesterday

A new day you can go You can do anything you wanna It's your play, swing low Go high anywhere you wanna You can reach for the moon Anywhere your dreams could take you Go astray, fade away Just leave it to yesterday

Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterday Yesterday
