

# The Waves

Imani Coppola

My day at the ocean  
It's my day for collecting shells  
It's my day for some fishin'  
It's my day at the ocean  
I pick up a shell, and put it to my ear  
It whispers softly...imani  
I threw it away  
Because it scared me  
It had no right to know my name

The waves ruff my up inside  
The waves kill me every time  
The waves  
I like the waves  
The waves  
I like the waves

My day at the ocean  
My day for collecting shells  
It's my day for some fishin'  
It's my day at the ocean
