

Lately

Imany

Many nights before,
You've showed up on my door.
But I didn't answer,
I thought I knew better.

I'm sorry,
Lately I haven't been myself.
Oh I am sorry,
Lately I haven't been myself.

You say you wanted more,
but that's all I have left.
I've seen you once before,
but with somebody else.

I'm sorry,
Lately I haven't been myself.
Oh I am sorry,
Lately I haven't been myself.

But at times I lose my mind,
I wish you knew what I'm about.
Give it one last try,
I promise you I ain't so bad.

But at times I lose my mind,
I wish you knew what I'm about.
Give it one last try,
I promise you I ain't so bad.

Oh I'm sorry,
Lately, I haven't been myself.
Oh I am sorry,
Lately I haven't been myself.

I'm sorry, yes I'm sorry.
Oh I'm sorry, I'm so sorry.
I am.□
