

## Where Have You Been

Imany

I've been waiting all night for you  
I've been waiting all night for you  
Where the hell have you been?  
Where the hell have you been?  
I've been waiting all night for you  
Me and the kids we're wondering  
Where have you been  
All night long

You take your things, your lies, your excuses  
I packed your pride in a bag  
Let me say yeah yeah yeah  
You take your things, your lies, your excuses  
I packed your pride in a ooooooh, yeah yeah yeah

I sit on the floor  
My feet are cold  
My tears are dry  
And my eyes are sore  
I've been wasting my life with you  
And I've been holding on to you  
I don't know who I am anymore, anymore

You take your things, your lies, your excuses  
I packed your pride in a bag  
Let me say yeah yeah yeah  
You take your things, your lies, your excuses  
I packed your pride in a bag  
Let me say yeah yeah yeah  
You take your things, your lies, your excuses  
I pack your pride in a bag, in a bag, in a bag  
You take your things, your lies, your excuses  
I packed your pride in a ooooooh, yeah yeah

You take your things, your lies, your excuses  
I packed your pride in a bag  
Let me say yeah yeah yeah  
You take your things, your lies, your excuses  
I packed your pride in a bag  
Let me say yeah yeah yeah  
You take your things, your lies, your excuses  
I packed your pride in a bag, in a bag, in a bag  
You take your things, your lies, your excuses  
I packed your pride in a ooooooh, yeah yeah
