

Cry for Me Baby

Imelda May

Well, I cried so much for you
Baby, that's nothing new (2x)

Well, I wish I had a dollar for the times I cried for you

Almost every night, I cried myself to sleep
Everybody else's so happy
But all I did was weep, weep, weep
All these tears, tears, tears
Why won't they'll ever be?
Lord, I wish, just once, you would cry for me
