

Lovey Dovey Lovely One

Imelda May

Lovey dovey lovely one
It's the name I give to you
Love so long come on strong
You build me through and through
You are little and sweet so baby,
Loving you so fun
You are a sweet lover, give me little sugar
You never leave what come done
When in my head my baby talks
It makes me feel so fine
You're just one big bunddle of joy
And I am so glad you are mine
You got me where you wanted me girl
You found my one weak spot
Shrills and thrills will knock me out
Put on all the love you got
