

# Smotherin' Me

Imelda May

No matter where I go  
You're always following me  
No matter what I do  
Boy, you give me misery

You're smotherin' me baby  
You're smotherin' me baby  
You're smotherin' me baby  
Can't even breathe when I'm with you

You hang over my shoulder  
Whenever I try to talk  
You cling into my arms  
So may just make it harder to walk[?]

You're smotherin' me baby  
You're smotherin' me baby  
You're smotherin' me baby  
Can't even breathe when I'm with you

I see all the girls  
Are laughing with their friends  
I wish that we were over  
So I could begin my life again

You think that you can own me  
That I belong to you  
See, you never really know me  
Oh my God, you don't have a clue

You're smotherin' me baby  
You're smotherin' me baby  
You're smotherin' me baby  
Can't even breathe when I'm with you

You holding on with claws  
You think you're making me stay  
The more you put your pawns  
They make you push me away
