

# Sneaky Freak

Imelda May

I'm behind you, I'm watchin' your back  
I'm gonna find you, look in every crack  
I know your passwords, I cracked your codes  
I know you backwards, I even searched your clothes

'Cause I'm a sneaky freak, yes, I'm a sneaky freak  
Watch out 'cause I'm a sneaky freak  
Oh, I'm a sneaky freak  
'Cause I'm a creepy sneaky freak

What you up to? 'Cause I'm gonna find out hidden secrets  
Yeah, I know about, I picked your locks  
Yeah, I stole your ID, I know what rocks you  
You'll never know it was me

'Cause I'm a sneaky freak, oh, I'm a sneaky freak  
Watch out 'cause I'm a sneaky freak  
Oh, I'm a sneaky freak  
'Cause I'm a creepy sneaky freak

Oh, oh, you locked your door 'bout quarter past four  
You're hiding something I know  
You're holding your phone, whenever you're at home  
You jump on it whenever it goes

You got a feeling, something's not right  
You should be keeping one eye open at night  
O'er your shoulder, was that something you saw?  
I'm getting bolder 'cause I'm above the law

'Cause I'm a sneaky freak, yes, I'm a sneaky freak  
Watch out 'cause I'm a sneaky freak, yeah  
Yes, I'm a sneaky freak  
Yeah, yes, I'm a creepy sneaky freak, oh yeah

Oh, oh, you got a feeling, something's not right  
You should be keeping one eye open at night  
O'er your shoulder, was that something you saw?  
I'm getting bolder 'cause I'm above the law

'Cause I'm a sneaky freak, yes, I'm a sneaky freak  
Watch out 'cause I'm a sneaky freak  
Oh, I'm a sneaky freak  
'Cause I'm a creepy sneaky freak, oh yeah, yeah

Yeah, I'm a sneaky freak, oh-oh, I'm a sneaky freak  
Yeah, yes, I'm a sneaky freak, whoa-oh  
I'm a sneaky freak  
Yeah, yes 'cause I'm a creepy sneaky freak, oh

I'm creepy, yeah, I'm sneaky, oh, freaky
