

# Why Don't You Do Right

Imelda May

You had plenty money 1922  
You let other women make a fool o' you  
Why don't don't you do right  
Like some other men do  
Get out o' here get me some money too

You're sitting there wond'rin'  
What's it's all about  
You aint got no money  
Better throw you out  
Why don't don't you do right  
Like some other men do  
Get out o' here get me some money too

If you'd prepared 20 years before  
You wouldn't banging out  
From door to door  
Why don't don't you do right  
Like some other men do  
Get out o' here get me some money too  
Yeah yeah  
Like some other man do oh yeah  
Yeah some other man do

I fell for you jivin' an I took ya in  
Now all you got to offer me's  
A drink 'o gin  
Why don't don't you do right  
Like some other men do  
Get out o' here get me some money too

If you'd prepared 20 years before  
You wouldn't banging out  
From door to door  
Why don't don't you do right  
Like some other men do  
Get out o' here get me some money too  
Yeah yeah  
Like some other man do oh yeah  
Yeah some other man do

Get out of here  
Get me some money too  
Oh I want some money  
I want some money too  
Yeah yeah  
Like some other man do oh yeah  
Yeah some other man do  
Like some other man do...  
Ohhhhhhhhh
