A Boy Like Me

See a boy like me Wants to get a girl like you I wanna get you in the mood In the mood

When I first laid eyes on you You put me in a trance I never met no one so fly I can't believe my eyes My sweet baby, sweet baby Come over here And let me be your man sweet thing

And I will treat you right

See a boy like me Wants to get a girl like you I wanna get you in the mood In the mood

I realize that we just met Not tryin to go to fast Not tryin to go to slow Now see you got the vibe I like Wanna make you my woman tonite What am I supposed to do baby 'cause I wanna get with you sweet thing

See a boy like me Wants to get a girl like you I wanna get you in the mood In the mood Immature
