

# Don't Ever Say Never

Immature

Don't ever say never, da da  
My heart is for you, oh baby

Just don't ever say never  
Don't ever say never

Although, it may seem  
That you're livin' in a fairy tale  
You can't give up on your dreams  
I can see  
All the things you think you can be  
Don't ever say never

Just don't ever say never, da da  
You can have it all  
But you cannot be denied  
Don't ever say never, da da  
You can reach the sky  
Just don't let it pass you by  
Don't ever say never, here's why  
You'll never know until you try

Sometimes, you may feel  
That your hopes and your dreams

You cannot achieve (Just believe)  
Just believe (What you see)  
What you see  
You can reach me I'll want any one piece  
Don't ever say never

Just don't ever say never, da da  
You can have it all  
But you cannot be denied  
Don't ever say never, da da  
You can reach the sky  
Just don't let it pass you by  
Don't ever say never, here's why  
You'll never know until you try

Give it all you can, one time, you gotta try  
I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside

Just don't ever say never, da da  
You can have it all  
But you cannot be denied  
Don't ever say never, da da  
You can reach the sky  
Just don't let it pass you by  
Don't ever say never, here's why  
You'll never know until you try

Give it all you can, one time, you gotta try

I'm tellin' you now, you won't be denied  
I know it may be hard  
But you will survive  
As long as you stay true  
To what you feel inside

Just don't ever say never, da da  
You can have it all  
But you cannot be denied  
Don't ever say never, da da  
You can reach the sky  
Just don't let it pass you by  
Don't ever say never, here's why  
You'll never know until you try
