

# Lover's Groove

Immature

The feelings on  
To the break of dawn  
The party's on  
Lover's groove

Let me take you on a ride  
To a place where the ladies freak yo mind  
Only Romeo knows where the hunnies go  
And I got the freak of the week  
So let me take you to the love land  
Where the feeling's right and the girls look tight  
Cause there's nothing else to do on this crazy filled night  
Nothing else to do on this crazy filled night

The sun is shining  
The girls are fly  
All the lovers around, well well  
Everybody's on the street  
Doing the freak  
Baby freak with me  
In the lovers land

The feelings on  
To the break of dawn  
The party's on  
Lover's groove

So I'm feeling high right  
I got the vibe, you got the vibe  
Freaks come out at night  
So get your groove on  
Party all night long  
So I got the freak with the big ole butt  
I got nothing but love for you baby  
So let's ride, to the lovers groove

The beat is creeping  
Real fly flavor  
A crazy cray vibe  
All the lovers out tonight, well well  
Bodies shaking, love making  
To the lover's groove  
Where you can kick it

The feelings on  
To the break of dawn  
The party's on  
Lover's groove

Yeah, LDB's kicking it the lover's lane, yeah  
With the lover's, in the lovers groove, yeah  
This how we do it,  
Yeah, with all the lovers in the lovers lane, yeah

The feelings on  
To the break of dawn  
The party's on

Lover's groove
