

# Never Lie

Immature

I will never lie again (I will never lie again)  
'Cause you will always be my friend  
I will never I will never lie again  
'Cause a friend like you  
Will last forever

Sitting in my window  
Thinking of you  
All the fun things we use to do  
I feel the pain  
Please come back to me  
'Cause a friend like you will only  
Come once in a lifetime

I will never lie again (I will never lie again)  
'Cause you will always be my friend  
I will never I will never lie again  
'Cause a friend like you  
Will last forever

On the phone when you were here  
Laughing and joking  
Cryin and sulking  
In my dreams  
Your still with me  
'Cause a friend like you will only  
Come once in a lifetime

I will never lie again (I will never lie again)  
'Cause you will always be my friend  
I will never I will never lie again  
'Cause a friend like you  
Will last forever

When I think of you  
I think of someone special  
And how it used to be  
I know, you'll always be my friend  
And I'm so sad it had to end  
Oh yeah baby

I will never lie again (I will never lie again)  
'Cause you will always be my friend  
I will never I will never lie again  
'Cause a friend like you  
Will last forever  
(2x)
