Dippin' in my caddy, ain't it plush?

And the way that I fuss too much

You got my adrelanine pumpin'

Got me deep into somethin'

With my Immature behavin'

I ain't stoppin' for nuthin'

See ain't nothin' but a gansta party

When the girlies in the clubs startin'

Actin' naughty

Ooh wee check it out

I disappear like a bat in the air

It's like who,what,when,where?

It's you I need with me

Baby why can't you see

Baby no need to front

See let's go to my room

So we can have some fun

I just want to show you what's inside of me for you

Be yourself and always stay true

Be you

Stay true

Ha ha....It's all about 5's 10's 20's

See baby notice the way I shake,rattle and roll

Got you all in control got you all in my mode

See conversation runs all and without it can't fall

Small thangz run large and with that I'm in charge
