

Show Me Your Love

Immature

I can't wait
For the day
For you to show me your love
Show me your love

I never met
A girl so fine
You seem to be
Always on my mind, my mind baby
And there's nothing I wouldn't do without you girl
I can't wait for you, to show me your love

I can't wait
For the day
For you to show me your love
Show me your love

I need to know
Tell me what's on your mind
Is it me, or am I living in a fantasy
I work hard for mine giving you what you need
Trust in me and forever our love will be

I got a natural vibe, a natural vibe
Romeo here I go
Here I go let me flow
I'm feeling kinda mellow
Icing on a cake
Chocolate covered treat
I got all the freaks
You're my baby boo
'Cause I was made for you
Show me your love

I can't wait
For the day
For you to show me your love
Show me your love

I got the fine little, fine little lady
The one with the big ole' butt
So put your money where my mouth is
Baby baby, I like this

I can't wait
For the day
For you to show me your love
Show me your love
