Death Valley (Bloody Tango)

Immer

dry and dust, murder heat rattler and huge sequoia empire lake "Bad Water" deep in the sea Satan field and funeral mountain

death man seat and coffin shield hunters home, people of Timbisha tribe drinking blood for lack of water dancing bloody tango on the salt lake

Death Valley / bloody tango

peaks of Sierra Nevada mountain sand and stone of Mojave Desert look after calm sleep of Death Valley keep its bloody offspring on eye

when just an alien goes through hunters see death man from the seat uninvited guest will meet certain death they dance him bloody tango for goodbye

death dancing with devil in the hot valley the intruders are hunted in the bloody valley

after the dance and copious feast when whole tribe filled to the brim exceedingly satisfied falling asleep letting themselves get bloody dream

new day starts above mountains peaks hell heat spreads over the valley only shelter under huge redwood can stop killing rays

Death Valley / bloody tango
