Canvas

Imogen Heap

Slow hard
Dog wait
Down love
Black canvas
Revolve within
You understand.

Fragile
Earth where
Cracks in the temperature
Keep it cool
To give, you understand
Keep it cool
To give, you understand

Slow hard Dog wait Down love Black canvas Revolve within You understand.

Fragile
Earth where
Cracks in the temperature
Keep it cool,
To give, you understand

'Cuz I just can't find the strength to pull you up And keep you taut No I just can't find the strength to hold you up And keep you taut

Hijacked Lost track Light fades another day left Long shadows lure you in.

The more you lose the less you see, So close your eyes and start to breathe, Oh you said yourself, this wasn't easy.

Oh you said yourself, this wasn't easy.

Oh I just can't find the strength to pull you up And keep you taut.

No I, just can't find the strength to hold you up And keep you taut.

'Cuz I just can't find the strength. To Keep you taut.
