

# The Moment I Said It

Imogen Heap

The moment I said it  
the moment I opened my mouth  
lead in your eyelids  
Bulldozed the life out of me  
I know what you're thinking  
But darling you're not thinking straight  
Sadly things just happen.... we can't..... explain

It's not even light out,  
But you've somewhere to be - no hesitation  
No I've never seen you like this  
And I dont like it, I dont like it, I dont like it at all

Just put back the car keys  
or somebody's going to get hurt  
who are you calling at this hour  
sit down, come round , I need you now  
we'll work it all out together  
we're getting no where tonight  
now sleep, I promise, it'll all seem better somehow  
in time

It's not even light out  
Suddenly, you've somewhere to be  
No hesitation  
mmm...I've never seen you like this  
Your scaring me, Youre scaring me,  
Your scaring me to death

Don't...oh, smash....please  
Don't...oh.....and another one  
Don't...oh.....and another one

I'm losing you.....I'm losing you

Trust me on this one  
I've got a bad feeling  
Trust me on this one  
You're going to throw it all away  
With no hesitation

Bye bye bye bye bye bye  
bye bye bye bye bye  
bye bye bye  
bye
