

Dystopia A. S.

Impaled Nazarene

Trapezoid
Vertical hell, twisted dimensions
Without exit, shattered minds
Bleeding skies, fire and war
Enter your hell
Disgust and filth, decaying bodies
Burnt down cities, castrated masses
Headless children, worm ridden torsos
Chaos and pain, Satan's new reign

Lasciate ogne speranza, voi ch entrate
Dystopia Anno Satanas

Hypernova
Horizontal hell, mechanism of doom
Pain enchantment
Luscious torment succulent evil
Breeding the plague of Satan's new reign

Lasciate ogne speranza, voi ch entrate
Dystopia Anno Satanas
